**Summary** — Seeking a software engineering role to leverage strong foundation in Data Structures and Algorithms (DSA), proficiency in Java, and problem-solving skills. Eager to contribute to solving large-scale challenges, optimize performance, and deliver impactful solutions for real-world customer needs.

## Skills

- Java Experience with working as a part of a team, Dedication and passion for technology
- DSA [Data Structures & Algorithms \(DSA\)](#), [Problem Solving](#), [Algorithms](#)
- OOPS [Operating Systems \(OS\)](#), [Networking](#), [Full-Stack Development](#), [Front-End Development](#), [Java Backend](#)  
[Object-Oriented Programming \(OOP\)](#),
- MongoDB, MySQL , [Relational Databases \(SQL, MySQL\)](#), [API Development](#), [HTML](#), [CSS](#) and [Javascript](#), [JS](#)
- Git , [Testing/Debugging](#), [Tekion](#), [Innovation](#), [Culture Fit](#),

## Projects

### Magictalent Web App

- I have developed a Magic talent web application by using React js , HTML5, Tailwind .
- Description- It is a single page web application for Art & Craft Tuition classes with a smooth interface Where people can contact and view the art gallery and contact the tutor.
- Live Demo- <https://magictalent.vercel.app/>

### Ashoka book shop App

- Developed a Book shop app using HTML, CSS, and JavaScript, featuring a responsive and visually appealing user interface.
- Description- responsive UI, book buying, likes/comments functionality
- Live Demo- [ashokabookdepot.netlify.app](https://ashokabookdepot.netlify.app)

### To-Do List Project

- I have created a Todo List Project using HTML, CSS and Javascript.

## Education

### Chitkara University

- Bachelor's Degree in Computer Science Engineering
- Present Grade Achieved:- 91.68 % , CGPA:- 8.1 (Ongoing)

**Jun 2021 – Present**

### Green Valley Public School ,Tohana

- Higher Education

**Apr 2020 – Mar 2021**

### Green Valley Public School ,Tohana

- Secondary Education

**Apr 2018 – Mar 2019**

## Certifications

- Advanced Web Development(Coding Ninja)
- Advanced javaScript with almaBetter
- Java (DSA) with PW Skills;
- MERN Stack With Pregrad
